

BIBLE RULING OKAYED

In a letter signed by Roy A. Hammer, associate of Town Counsel Philip Buzzell, the School Committee has been advised that it did not violate any state law, when it voted on August 14th to delete the reading of the Bible from the daily opening exercises of the Public Schools of Wilmington.

The action of the committee was questioned by William Dunham of Brentwood Avenue, in a meeting in September with the School Committee. Mr. Dunham held that the School Committee of Wilmington was, among other things, violating the state law which requires the reading of the Bible in the public schools.

The letter, after reviewing the Supreme Court decision in the Baltimore and Pennsylvania cases which led to the Bible reading ban, said: "...it is perfectly clear that the decision, whether or not 70% of the American people may disagree with it, was lawfully rendered pursuant to the jurisdiction and competence of the Court. The Supreme Court's power to declare statutes unconstitutional, and hence its power to make authoritative determinations of constitutional law, was first exercised in the case of Marbury v. Madison, decided in 1803, and is an important part of our jurisdiction.

Further the letter discussed the

statutes in Pennsylvania and Massachusetts, and continues:

'We can discern no significant difference between the two statutes and must therefore conclude that the Massachusetts statute also violates the Fourteenth Amendment to the Constitution and is invalid. It is not necessary for the General Court (Massachusetts Legislature, Ed.) to have repealed the statute or for a court to have specifically declared it unconstitutional for the statute to be invalid. It is invalid because it contravenes the Constitution.'

'Many learned constitutional lawyers disagree with the Supreme Court, as does one of its own members, concerning the proper interpretation of 'establishment' and 'free exercise' clauses of the First Amendment. Other lawyers question whether the provisions of the First Amendment are incorporated into the Fourteenth Amendment. Each man is, of course, entitled to his own opinion -- but it does not follow from that that one may disregard a Supreme Court exposition of the Constitution with which he does not agree.

We therefore advise you that the Committee did not violate any valid state law in deleting Bible reading from the daily opening exercises of the Wilmington public schools.'

LIGHT RATES TOO HIGH - BANDA

Attorney James Banda, Chairman of the Wilmington Planning Board, in the regular Tuesday meeting of the board declared that the Town of Wilmington is not being treated fairly in the matter of electric light service and rates.

The rates are high, Mr. Banda said, and the service poor.

He pointed to the electric light poles and lights in Reading, serviced by the Reading Municipal Light Department and declared them to be 'beautiful lampoles, beautiful lights'.

Banda then pointed to the light poles and lights in Wilmington and called them 'antiquated'.

'We are being treated like a Hick Town,' Banda declared 'We should be getting much better service for our money'.

Banda, referring to a former

Electric Light and Power Study group in Wilmington, told the Planning Board that it should be reactivated. 'We can buy our power cheaper from the New England Power Company' he said.

Banda was told by Joseph Slater that the Reading rate was less than that of the Boston Edison.

'It is not!' Banda said. 'I have been checking into the subject, and I know!'

The Board voted to write a letter to the Town Manager, and to the Wilmington Chamber of Commerce on the subject of power costs and services.

GATES OPEN AT 12:30 - CHELMSFORD GAME

The gates to the Wilmington High School football field will be open at 12:30 pm Saturday, in anticipation of a huge crowd expected for the game with Chelmsford.

Three ticket booths are to be set up, instead of the usual two, and it has been announced that tickets for adults will be on sale today and tomorrow, in the High School. The advance sale of tickets will close at 4 pm tomorrow.

It will be the game of the year for the Wilmington football fans, Saturday, on the field behind the Wilmington High School. Game time is 1:30 pm.

Wilmington, which now has the all-time state record for consecu-

tive wins (23 games) is to face a team which has not been scored upon since its last game with Wilmington, a year ago. Chelmsford lost that game, 18-0, and is burning for revenge.

The Chelmsford defensive line is one of the most powerful in Class C in Massachusetts. It features Capt. Fred Gagnon as guard, 240 pounder Dan Gleason as tackle, and three year veteran Henry Desmarais as a line backer.

Another three year veteran, Tom Cobery, is half of the Chelmsford Double-safety team, along with Brian Popolizio.

Facing this powerful array is the amazing Wilmington team which

continues to beat down all opposition, regardless of weight.

Wilmington will be without the services of three of its most valuable players, in Saturday's game.

QB Billy Ritchie and End Mike Anderson, absent from the team for several weeks because of injuries, were joined this week by HB Pete Emery, who suffered a torn ligament in his leg, in the Dracut game of last Saturday.

But the 'team spirit' of Wilmington is at an all time high, and Wilmington fans are confident that Chelmsford's team will be just a 24th Victory for Wilmington.

THE WONDERFUL HIGH SCHOOL BAND: Even better than it was last year, will be playing Saturday, in the half, on the football field. This picture was taken at Dracut last Saturday, as it played for the Wilmington fans. Leading the band is Drum Majorette Becky Hartwell.

LARIVEE, EVANS & SLATER IN CONSERVATION STUDY

The Wilmington Planning Board, Tuesday night, named members Bob Evans and Joseph Slater as representatives of the Planning Board who will co-operate with Selectman Rene LaRivee in preparing the way for a Conservation Commission in Wilmington.

The subject was discussed Monday night in the Selectmen's meeting, and found all five members of the Board of Selectmen in favor. In Tuesday's meeting of the Planning Board there was also an unanimous approval.

The three man sub committee (LaRivee, Evans and Slater) are to prepare information leading to an article in the Warrnat of the Annual Town Meeting, next March, for the establishment of a Conservation Commission in Wilmington.

NORMAN NORTON RECOVERING

Norman Norton, the Wilmington High School senior who hovered near death for several days last week, after an auto-bicycle collision, is home from St. Johns Hospital.

Norton is recovering, and is able to walk around, but it is not known when he will be able to return to school.

THE SELECTMEN GOT RELIGION

At the time that the people of Vermont elec-
ted a Democratic Governor, Harry S Truman, for-
mer President, let loose with one of his typi-
cal salty remarks which described the situation
in Good Old American Vernacular.

"The people of Vermont" said Harry, "Have
finally got Religion".

And in exactly the same tone this paper can
report that the Selectmen of Wilmington "Got
Religion" Monday night.

Sometime over two years ago the Town Crier
reported that the Selectmen had failed to ob-
serve the law, in the Street Betterment Program
in Wilmington.

The law says that the Selectmen shall "Cer-
tify" streets constructed under the Betterment
program, to the Board of Assessors, who shall
then assess the costs to the abutters.

About a dozen streets, Marcus Road, Oakridge
Circle, Del Drive, etc. had never been "Certi-
fied" by the Selectmen. The Assessors, tired of
waiting, had finally assessed the betterments
anyway.

The Town Crier used the phrase "Non-Kosher
Street Betterments" to describe the situation.

There was a great How-Do. The then Town Ma-
nager issued statements denying everything, and
his faithful clique took up the cry of "Town
Manager Tormentor."

The Selectmen remained silent. They could
afford to, for the law had failed to attach any
penalty for failure to "certify".

But the facts were there.

John Brooks, then Chairman of the Board told
the other Selectmen that there had been some
errors in the costs of some of the streets, and
he embarked on a lengthy program of "correct-
ing" the errors. From time to time he would re-
port his progress, sometimes wearily passing
his hand over his brow, and the other Selectmen
would cluck sympathetically.

It never occurred to the Selectmen that some
of Wilmington's high priced help - Town Manager
Town Engineer or Highway Superintendent - might
do the work, so Brooks was the Noble Martyr.

So the Selectmen finally straightened out
the matter of costs of Street Betterments, and
ignored the fact that they had not "Certified"
the streets.

But Monday night the Moment of Truth arrived.
In front of the Selectmen, on the agenda for
the meeting, was a paragraph from the Town Man-

"... and this bargain was owned by a
couple who didn't believe in
windstorm insurance."

ager saying that they should Certify Marcia Rd.
and River Street.

Quietly the Selectmen voted to do so, and
that was when the Selectmen Got Religion.

Wilmington still has "Non-Kosher" street
betterments, but the latest streets at least,
are "Kosher".

EIGHTEEN EQUALS TEN

If any voter of the new 34th Middlesex Dis-
trict feels inclined to study a mathematical
equation he can sit down to figure out how many
votes it takes in this district to equal the
votes of other districts in the Commonwealth.

For it has been announced, during the past
week, that Wilmington, Burlington, and Wards 6
and 7 of Woburn will be the new 34th Middlesex
District, and that the district will have its
own Representative in the State House, come the
1964 elections.

The district was made up on a basis of the
1955 census. At that time there were 9293 vo-
ters in the district - and each district is
supposed to have about 10,000.

But the figures, as of July 1, 1963 are not
the same.

There are now 18,061 registered voters in
the 34th Middlesex, or just about twice as many
as in 1955.

And each voter, as he goes to the polls and
casts his ballot, may reflect (possibly with
pleasure) that his vote is worth about 56% of
the average vote in Massachusetts, when it
comes to electing a Representative in the Great
and General Court.

IT WILL PROBABLY BE A DEMOCRAT

The new representative from the 34th Middle-
sex District, to be elected in 1964, will be,
the chances are, a Democrat.

Wilmington, at the present time, has 1600
registered Democrats and 1066 registered Repub-
licans, out of a total of 5438 voters.

Burlington has 2119 Democrats and 972 Repub-
licans out of a total of 6211 voters.

Ward 6 of Woburn (North Woburn) has 733 Dem-
ocrats and 342 Republicans, out of a total of
3013 voters, and Ward 7 (West Side - towards
Lexington) has 545 Democrats and 186 Republi-
cans, out of a total of 3396.

It isn't possible at this time to guess who
the first representative of the new 34th Mid-
dlesex District will be, - but he will probably
sport a (D) after his name.

TOWN NOTES

Dry Weather

As all the world knows, it is dry
dry dry here in New England, and
the Boston papers are vying with
each other to see who can get the
'driest' picture.

And while the ponds and streams
in Wilmington are somewhat low,
it isn't as bad as it was five years
ago, when we took a photograph of
the Ipswich River being bone dry
at Jenks' Bridge.

There is still four or five inches
of water flowing at Jenks, as of
yesterday afternoon.

But there are a few good stories.
The Fire Department, for in-
stance.

Naturally the Brave Fire Lad-
dies are on the alert, afraid of a
grand conflagration in some wood
lands.

In addition to the danger to our
residents, and the possible damage
to the forests, the fire would also
interrupt the pinocle game - so
who can blame them?

But last week they had one for
the books - four days in succession
they went over to Burt Road and
put out a fire, always in about the
same location.

So someone set a watch, to see
if those fires were being lit by
little boys, or great big men or
something.

Nobody was caught - but the fires
stopped.

Then there is the story of Charlie
Malatesta, down on Butters Row.

This is the time of the year that
Charlie would be hunting, if he were
allowed to go into the woods - but
he can't.

So Charlie went fishing instead.
Down to Horn Pond, in Woburn,
where one may almost walk out to
the island - things are so dry.

Charlie, just for the fun of it,
tried a few flies near the outlet to
Horn Pond - and in an hour he had
six beauties - all trout of course.

So - if you can't go hunting, get
down that old fishing rod and see
what happens!

No Arrests

For the first time in years,
the Wilmington Police Department
have made no 'Sticker Arrests'
of auto drivers who have failed
to have their cars inspected by
the Oct. 15th Registry deadline.

One motorist only was stopped
for not displaying a red sticker
on the morning of Oct 15th - an
elderly gentleman who was on his
way to a garage to get a sticker,
it turned out.

Other than that Wilmington mo-
torists had a perfect record. Wil-
mington police found no violations
on the 15th - not did Inspector
James Manning of the Registry of
Motor Vehicles, who was in Wil-
mington on that day, supervising
the 'sticker drive'.

Free Lunch

Free Lunch is something that
we used to associate with songs
about the Bowery, and things like
that - but no more.

For it seems that there is a
Free Lunch set-up in the Glen
Road School, and that place most
certainly does not resemble the
Bowery, or any other place in New
York.

It seems that there was a little
celebration there last week, it
being School Lunch Week, and Mrs
De Lisle, the School Cafeteria Su-
pervisor decided on a little (just
a little one) game of chance.

The names of all the schools
were put in a box, and one of the
names were drawn.

That was Step One, and it was
the Glen Road School.

Then a dozen Halloween Seals
were put under an equal number
of trays, for the children's plates,
in the Glen Road School, and the
youngsters who got those trays
were rewarded with free lunches
at the school cafeteria all this
week.

The names of those Free Lun-
chers (we almost called them Free
Loaders)?

SCHOOL BOARD CONSIDERS SALARY PROPOSALS

A proposal now being considered by the Wilmington School Committee would establish, for the first time in Wilmington, a schedule in pay for teachers in the public schools who have a Doctor's degree

The proposal, part of those made by the Wilmington Teacher's Association, would establish a minimum pay of \$5600 a year for teachers with a doctoral degree, and a maximum of \$8400.

Other points in the proposal would establish a salary of \$5300 to \$8100 for teachers with a master's degree plus 30 additional credits towards a doctorate, and for teachers with a bachelors degree and 15 credits towards a master's degree, a minimum of \$4850 to a maximum of \$7650.

The present pay schedule starts at \$4700 for Bachelors, to a maximum of \$7500, and for Masters it ranges between \$5000 and \$7800. The School Committee, in their discussions of the proposals, in their October 16th meeting found themselves disposed towards having a time limit for the earning of the credits.

Both Glen Connolly and Chairman Arthur V Lynch felt that teachers who did not 'get out and work' for extra credits should not get the increments under discussion.

She had lived in Wilmington for the past four years, coming here from Wakefield, where she had made her home for many years.

Funeral services were held at the Congregational Church on Wednesday, Oct. 23rd, with the Rev. Robert Sanders officiating. Burial followed in Puritan Lawn Memorial Park, in Peabody. Funeral arrangements were by the Nichols Funeral Home.

The committee that there were 32 teachers now holding a bachelors degree who were interested in getting a masters degree, and that there were six who were not, and further pointed out that these six may have had some misfortune which prevented them from getting the degree.

Lynch summed up the sentiment of the board by saying that he felt the board's position was 'to weed out those persons who are planning to stay in teaching, but who are not interested in getting a masters' degree.

The new proposals, when and if adopted, will become effective on Sept. 1, 1964.

The School Committee also authorized the School Superintendent to allow Girl Scouts and similar organizations to conduct meetings in the High School or the new North School, after class, during the school year, providing that the meetings were over by 3:45 pm.

This reversal of a former procedure was prompted by a letter from Mrs George Gonzales of Marion Street, Girl Scout official, who was asking for space at the North School for Troop 174 to meet.

The meetings can only be held in these two schools, because of the hours of work of the custodians. There can be no meetings on days that the schools are closed.

The next meeting of the School Committee is to be on a Monday night, October 28th.

LETTER

October 21, 1963

Dear Larz:

This is to thank the Town Crier and the merchants and people of Wilmington for their wonderful help, in making the Raffle and Penny Sale of the Little League Boosters the success that it was.

The sale was held last Friday in the North School, and enough money was raised to put up a chain link fence all around the new Little League field in Rotary Park. There is also enough money for the dugouts to be placed there, on a permanent basis.

This is also a vote of thanks for the Little League personnel, and to the parents who took part.

It is a wonderful thing to be able to see the co-operation that the Little League boosters got in their work towards that new fence.

Yours very truly
Jim Tildesley

TOWN COUNSEL'S RULING ON
HOUSING AUTHORITY
MEMBER RESIGNATIONS

Town Counsel Philip Buzzell has ruled that when a member of the Wilmington Housing Authority resigns the date of effective resignation is the date of the letter.

The ruling was requested after the resignation of Ernest B Rice, as the result of actions in the next regular meeting of the Authority.

Mr Rice resigned on Sept. 6th. The next meeting was on Sept 10th and at that meeting member Eddie Forest moved for the election of a new chairman, because of Rice's resignation as both a member and chairman.

Vice (and acting) Chairman Jim Donahue ruled that the Sept 10th meeting was the date that Rice's resignation became effective, and that the election should be at the 'next regular meeting' two weeks later.

Buzzell has ruled that the election should have been on Sept 10th. He cited actions in other Housing Authorities in the state, and further pointed out that the members of the WHA were elected officials, and not appointed.

THE ALUMNAE WON 2 - 0, in the annual game with the High School Girls Hockey Team, Saturday morning.

The Alumnae, above, are (front) Cheryl Lyons, Judy Halpin, Mary Quandt, Elaine Sullivan, and Pat Bennett, and (rear) Jean Ashworth, Carol Kasabuski, Betsey Flight, Claudia Zaverson, Rose Elliott, Peggy Montague, Kathy Pushee, Carol Crispo and Regina Klements.

Below: The Varsity Team. Kneeling: Gladys Harris, Paula MacDonald, Terry Baldwin, Joanne Lally, Karen Baldwin, Nancy Weinberg, Eleanor Denault and Kathy Moore. Standing: Cheryl Zaino, Trudy O'Hare, Lillian Halpin, Esther Corum, Janice Baldwin, Donna Galka, Marlene Galka, Ann Hoban and Tana Fairfield.

In over 12,000 other communities in the US. Last year the small coins collected by Trick or Treating for the Children's Fund totaled over \$2 million.

A single penny can mean the vaccine to protect a child from TB. A dime will buy enough DDT to protect a child from malaria for nearly a year. A quarter can mean enough antibiotics to save a child from the blindness of trachoma, and a dollar represents 500 vitamin capsules for children suffering from malnutrition.

All assisted governments match the aid received by at least two and a half times.

**CAREERS IN TEACHING AND
EDUCATION PANEL MONDAY
IN BURLINGTON**

Northeastern University is conducting a seminar, in the Burlington High School, Monday, from 9 to 11 am on Careers in Teaching and Education. Women of Wilmington have been invited to attend.

Dr Frank E Marsh, Director of the Graduate School of Education and Dr David R Cook, Professor of Guidance and Counseling, will discuss the field of Education, in elementary and secondary school teaching, remedial reading, guidance and counseling, and special education, and will outline requirements for Certification in Massachusetts. There will be a question and answer period.

**REPUBLICAN TOWN
COMMITTEE NEWS**

The monthly meeting of the Wilmington Republican Town Committee was held in the DAV Hall on Grove Ave on Oct. 8th.

The next event of interest to all Republican voters of Middlesex County is a catered Dessert Reception, on Wednesday Oct 23, 8 pm at the Caruso Diplomat, Rte 1, Saugus. The reception is entitled 'Ed Brooks Reports to Middlesex County'.

The Attorney General will personally speak to and shake hands with everyone attending the reception. The price is \$2 per ticket, and they may be had from Mrs Ruth Kitchener, 8 4850. This promises to be an interesting and enlightening evening.

Mrs McKie, President of the Wilmington League of Women Voters was at the Oct 8th meeting in the DAV hall, and explained the League's state-wide project of obtaining enough signatures to submit to the State Legislature to cut back the powers of the Governor's Council to the original intent of the State Constitution. The League of Women Voters and the Junior Chamber of Commerce are working together on this project.

It is with regret that the Committee has accepted the resignation of Mr and Mrs Frank Tuttle from the committee. Voted to full membership on the committee were Angela L Sanborn of Church Street, and James Manuel of Shaw-sheen Avenue.

Among those who attended the \$100 Plate Finance Dinner at the Commonwealth Armory last Wednesday night were Mrs Wavie Drew Chairman of the Town Republican Committee, Miss Lulu Sanborn, James R Manuel, Miss Leota Sanborn, Mr and Mrs Joseph Slater, Mrs William D Myers and her mother-in-law, Mrs Ruby P Myers of Grafton, Wvst Virginia, Albert E Kitchener, Dr Erwin F Chernoff,

**SPEED SKATING TRAINING
SESSIONS FOR WILMINGTON
SKATERS**

The Wilmington Skating Club has made arrangements for any Wilmington youngster to participate in two different Training Sessions for Speed Skaters.

Both sessions are being sponsored by the Northeast Skating Association (NSA).

A four week course is being held in the Boston College Arena on Fridays, from 7:15 to 8:15 pm, and a six week course is being held at the Worcester Skating Arena on Sundays from 12:30 to 2:30 pm.

Transportation to either place may be had by calling Weinberg's Store. Cars taking skaters leave from the store, for both sessions.

Mrs Marcia Scammel, and Mrs Albert E Kitchener, Finance Chair-man of the Wilmington Town Republican Committee, who sat at the head table in recognition of Wilmington's part in making the event a success.

Mrs Kitchener hopes to hear from every Republican in Wilmington before this drive is over. In order to plan for the 1964 budget donations must be in before November 29th. Make out your checks to the Massachusetts Republican Finance Committee, and mail them to Mrs Kitchener at 116 Aldrich Road, Wilmington.

Do you know that both the Republican and Democratic Town Committees are elected officials of the Town? Every four years (Presidential Election Years) both committees are listed on the ballot and are voted by the electorate.

Of course, during the four years conditions change and people move or resign for one reason or another and so, in anticipation of the pre-primary presidential election next April, the Republican Town Committee is trying to build up to full strength.

The state election laws have certain requirements which must be met before the Town Clerk and the Board of Registrars of Voters can certify the names of individuals to the office of the Secretary of State.

It is for this reason that the local membership committee, consisting of Roland Wood, Howard Murphy and Millard Pipes, are at the service of the people, and will gladly check into qualifications of anyone who should express a desire to become a member of the Wilmington Republican Town Committee.

Everyone is invited to attend the meetings, which are held on the second Tuesday of each month, at the DAV Hall, Grove Ave. (across from the Silver Lake Beach).

The next meeting is to be held at 8 pm November 12th.

COMMUNITY RELATIONS
SEMINAR IN WILMINGTON

On October 2nd a group of members and potential members of the Wilmington Mental Health Association met at the home of Mrs Roger Rocheleau on Oakdale Road, to hear Paul Husted, Community Organizer, from the Mental Health Clinic in Lowell, located on the grounds of the Lowell General Hospital.

His talk was a descriptive history of the beginning of the Child Guidance Center in 1954. It was a talk of enthusiasm, and as he rounded off his speech with the present operations of the Mental Health Clinic, serving the Greater Lowell Area, and the proposed expansion of the clinic, now serving children, adolescents and adults, the enthusiasm became contagious.

Mr Huster pointed out, in his capacity as Community Organizer, the goals and ambitions of setting up Educational Programs in the

various communities served by the Mental Health Clinic of Greater Lowell.

A ten week seminar has now been set up, beginning on October 10th, with Mr Husted leading the discussions. Although the seminar is on an 'invitation' basis, further inquiries by interested, curious or enthusiastic citizens of Wilmington will be answered, by calling OL8-2639.
